

“When transparency occurs, there is a feeling that brings a tactile sense of porousness of the body. You might feel you’re breathing in and out through your skin, that the skin is not a barrier but a collection of particles vibrating at a slightly different speed than those of the air or the table that’s right next to your skin, allowing a slight interpenetration and natural familiarity.”

BEING TRANSPARENT IN A TRANSPARENT WORLD
IS AN IDEA WHOSE TIME HAS COME!

**Personal Transformation Pioneer Penney Peirce
Shows Readers How to Swap “Opacity” For Super-Clarity**

After selling over 100,000 copies of her transformation trilogy, Penney Peirce now offers readers never-before-shared insight about the most crucial last stages of the transformation process in *Transparency: Seeing Through to Our Expanded Human Capacity* (October 10, 2017; Beyond Words/Atria/Simon & Schuster; 978-1582706429).

In it, Peirce addresses the fundamental causes of society’s code of secrets and lies and reveals how clearing these fear-based ideas—even in this “bridge time” of uncertainty between two vastly different realities—frees people to effortlessly fulfill the lives they are built for. She sends a hopeful message: There is great power and intelligence in being vulnerable (à la Brené Brown), honest, authentic, undefended, and available.

In *Transparency*, Peirce describes how life will function as we leave the Information Age and enter the new, transparent Intuition Age. As we dissolve the causes of our opacity—eg., too much security-via-attachment, linear-logical-left-brain perception, the distracted-uncentered mind, negative emotions and speech, and control and victim behaviors—life shifts to become frictionless and the soul’s desires materialize without distortion.

- *Transparency* helps us remember an enlightened way of living and how to return to it if we backslide. It helps us clear blockages in a rapid and thorough manner, reliably identify the feeling state of transparency, and have the courage to show up fully in our life.

- *Transparency* helps us learn that being seen for all of who we are relieves pain and suffering. Secrets, lies, and hiding are no longer necessary—or even functional. Honesty, simplicity, and true humility produce genius and wisdom. Transparency creates clarity of purpose, ease of materialization, realization of belonging, support from others, and joy in conscious cocreation.

- *Transparency* empowers us to be seen accurately and to see through situations that blind and confuse others. We have X-ray vision! Clarity in ourself equates to clarity everywhere.

“Here’s another in a series of leading edge books from a gifted visionary. With *Transparency*, Penney Peirce moves further into her detailing of personal and societal transformation, describing what real, radical transparency is and how we can embody it—both in our own lives and in our relationships and organizations. This material is timely and so necessary.” —**Mike Dooley**, NYT bestselling author of *Infinite Possibilities*
